

# Weller Erem 544D Snipe Nose Pliers Serrated ESD

SKU: E-544D

## Features & Benefits

- ◆ Inside-serrated narrow half-round jaws for secure component handling
- ◆ ESD-safe interchangeable foam-cushion handles for protection against static discharge
- ◆ Patented Erem Magic Spring for consistent spring force and over 1 million operations
- ◆ High precision screw joint ensures smooth, play-free jaw action
- ◆ Special tool steel construction for durability and Swiss-made quality
- ◆ **Jaw length** of 23mm, head width of 9mm, and head thickness of 6.5mm for precision
- ◆ **Tips width** of 1mm and total height of both tips at 1.4mm for fine, delicate tasks
- ◆ The Erem 544D Snipe Nose Pliers feature narrow half-round jaws with inside-serrated edges, designed to securely handle components while providing a firm grip

## About the Weller Erem 544D Snipe Nose Pliers Serrated ESD

The Erem 544D Snipe Nose Pliers feature narrow half-round jaws with inside-serrated edges, designed to securely handle components while providing a firm grip.

Ideal for delicate tasks where precision is key, these pliers ensure a controlled, slip-free operation.

The ESD-safe interchangeable foam-cushion handles protect against static discharge, making them perfect for electronic applications. With the patented Erem Magic Spring, the pliers offer consistent spring force, guaranteeing over 1 million operations.

The high-precision screw joint ensures smooth jaw action with no play, while the special tool steel construction ensures durability and Swiss-made quality.

**Chain nose pliers with narrow half-round jaws, for securely handling components. Inside-serrated jaws for secure handling.**

## Specifications
