

Weller Erem E15AGW Ergonomic Tweezers ESD

SKU: E-E15AGW

Features & Benefits

- ◆ Carbon-steel cutting tips for precision and durability
- ◆ ESD-safe design to protect sensitive electronic components
- ◆ Thermally insulated, soft foam handles for comfort
- ◆ Ergonomically shaped to reduce hand fatigue
- ◆ Special models (with suffix SA) feature stainless, non-magnetic, non-rusting, acid-proof, and heat-resistant material
- ◆ Featuring high-quality carbon-steel tips, these tweezers offer sharp, accurate cuts while maintaining durability

About the Weller Erem E15AGW Ergonomic Tweezers ESD

The Weller Erem E15AGW Ergonomic Tweezers are specially designed for precise cutting and handling of small components, ideal for electronic and delicate tasks.

Featuring high-quality carbon-steel tips, these tweezers offer sharp, accurate cuts while maintaining durability.

The thermally insulated, soft foam handles provide comfort and are ESD-safe, protecting sensitive components from static damage. The ergonomic shape reduces hand fatigue, ensuring extended comfort during prolonged use. With its lightweight design, these tweezers are perfect for precision work.

Specifications

Property	Detail
Length	120mm / 4.724 inches
Weight	30g / 1.05oz
Application	ESD-protected areas, electronics mfg, cleanrooms
