

Weller Erem E2ASA Tweezers ESD

SKU: E-E2ASA

Features & Benefits

- ◆ Straight, flat, and rounded tips for versatile gripping and handling
- ◆ Ergonomic, thermally insulated, ESD-safe foam handles reduce hand fatigue
- ◆ **Made from special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Ideal for handling sensitive components in electronics and other precision applications
- ◆ These tweezers feature thermally insulated, soft foam handles that are ESD-safe, offering protection for sensitive electronic components

About the Weller Erem E2ASA Tweezers ESD

The Erem E2ASA Tweezers ESD are ergonomically designed precision tweezers equipped with straight, flat, and rounded tips, perfect for simple gripping jobs and general handling tasks.

These tweezers feature thermally insulated, soft foam handles that are ESD-safe, offering protection for sensitive electronic components. The ergonomically shaped handles help reduce hand fatigue, allowing for extended, comfortable use.

Made from special stainless steel, they are non-magnetic, non-rusting, acid-proof, and heat-resistant, ensuring durability. With a tip width of 2mm (0.078 inches) and a length of 120mm, these tweezers are ideal for both precision and ease of use.

Specifications

Property	Detail
Tip width	2mm (0.078 inches)
Weight	28g (0.99 oz) for a sturdy and comfortable grip during extended use
Application	ESD-protected areas, electronics mfg, cleanrooms
