

Weller Erem E5SA Tweezers ESD

SKU: E-E5SA

Features & Benefits

- ◆ Straight, very pointed tips for precise gripping of fine wires
- ◆ Thermally insulated, soft foam handles that are ESD-safe
- ◆ Ergonomic design to reduce hand fatigue and provide comfortable handling
- ◆ **Made from special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Ideal for delicate, high-precision tasks in electronics and other fine work

About the Weller Erem E5SA Tweezers ESD

The Erem E5SA Tweezers ESD are ergonomically designed precision tweezers, featuring straight, very pointed tips ideal for gripping fine wires and delicate components.

These tweezers are equipped with thermally insulated, soft foam handles that are ESD-safe, ensuring protection for sensitive electronic parts.

The ergonomic handles are designed to reduce hand fatigue, making them comfortable for extended use.

Made from special stainless steel, these tweezers are non-magnetic, non-rusting, acid-proof, and heat-resistant, ensuring durability and reliability. With a length of 120mm and a weight of 25g, they provide a sturdy yet comfortable grip for fine work.

Specifications

Property	Detail
Length	120mm (4.724 inches)
Weight	25g (0.88 oz)
Application	ESD-protected areas, electronics mfg, cleanrooms
