

# Weller Erem EOODSA Tweezers ESD

SKU: E-EOODSA

## Features & Benefits

- ◆ Straight, strong tips with inside serrations for a secure grip in standard applications
- ◆ Thermally insulated, soft foam handles for ESD protection
- ◆ Ergonomic design to reduce hand fatigue and enhance comfort
- ◆ **Made from special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Robust construction, perfect for handling tough materials and larger components
- ◆ The Erem EOODSA Tweezers ESD are designed with straight, strong tips featuring inside serrations, making them ideal for standard applications that require a firm grip

## About the Weller Erem EOODSA Tweezers ESD

The Erem EOODSA Tweezers ESD are designed with straight, strong tips featuring inside serrations, making them ideal for standard applications that require a firm grip.

These tweezers are extremely robust, ensuring reliable performance for handling larger components or materials. With thermally insulated, soft foam handles that are ESD-safe, they provide protection for sensitive electronic components.

The ergonomic handles are designed to reduce hand fatigue, ensuring comfort during prolonged use.

Made from special stainless steel, they are non-magnetic, non-rusting, acid-proof, and heat-resistant. With a length of 120mm and weighing 30g, these tweezers offer strength, precision, and comfort.

## Specifications

Property	Detail
Length	120mm (4.724 inches)
Weight	30g (1.05 oz)
Application	ESD-protected areas, electronics mfg, cleanrooms
