

Weller Erem Premium Tweezers 3500TP - 5 Piece ESD

SKU: E-3500TP

Features & Benefits

- ◆ Includes five high-quality tweezers for versatile applications (3SA, 2ASA, 7SA, 102ACA, 15AGW)
- ◆ Blunted edges to prevent PCB damage and protect sensitive components
- ◆ ESD-safe plastic case for safe storage and handling
- ◆ Swiss-made precision tools crafted from special stainless steel for durability and corrosion resistance
- ◆ Ideal for microelectronics, light engineering, and SMD work, offering precision and control
- ◆ Ergonomically designed for comfortable, extended use
- ◆ All tweezers are made from special stainless steel: non-magnetic, non-rusting, acid-proof, and heat-resistant.

About the Weller Erem Premium Tweezers 3500TP - 5 Piece ESD

The Erem 3500TP Premium 5-Piece ESD Tweezer Kit is a top-tier selection of precision tweezers designed for microelectronics, light engineering, and SMD (Surface-Mount Device) applications.

This comprehensive kit includes a variety of tweezers that ensure precision handling of small components and delicate tasks.

The set features blunted edges to protect PCBs from damage, making it ideal for intricate SMD work.

Made from special stainless steel, each tweezer is non-magnetic, non-rusting, and acid-proof for long-lasting durability.

With a sleek ESD-safe plastic case, this Swiss-made kit provides both protection and convenience.
