

Weller Tip Cleaning Sponges (Pack of 5)

SKU: GW-S-6005

Features & Benefits

- ◆ **Genuine Weller cleaning sponge** for reliable performance
- ◆ **Regular sponge replacement** to maintain clean solder tips
- ◆ **Fits most standard solder tip holders** for universal compatibility
- ◆ **Helps prevent tip damage**, as old sponges can break up and stick to the tip
- ◆ **Pack of 5 sponges** for extended use
- ◆ Use with **de-ionised water** for optimal cleaning without contamination

About the Weller Tip Cleaning Sponges (Pack of 5)

Keep your soldering tips in top condition with these genuine Weller cleaning sponges, designed to maintain optimal performance during soldering.

Regular replacement of your sponge helps prevent debris build-up and ensures consistent heat transfer for high-quality soldering results. These sponges fit most standard solder stands, offering easy and efficient cleaning. With a size of 70mm x 55mm x 16mm, it's the perfect size for everyday use.

This **pack contains 5 sponges**, allowing for extended use, and should be used with **de-ionised water** to avoid any contamination of the tip.
