

# Weller WEP 70 Soldering Iron 70W, 23V

SKU: GW-WEP-70

## Features & Benefits

- ◆ **Powerful Performance:** Delivers 70W of power for fast heating and consistent soldering results.
- ◆ **Ergonomic Design:** Crafted for comfortable handling, reducing fatigue during extended use and ensuring greater precision.
- ◆ **ESD Safe:** The heat-resistant silicon cable is ESD safe, providing operator safety during sensitive electronics work.
- ◆ **Compatibility:** Designed for use with the WE 1 Soldering Station, making it a versatile choice for professional users.
- ◆ Designed for ease of use and safety, the WEP70 combines ergonomic comfort with advanced features, making it ideal for professional soldering applications

## About the Weller WEP 70 Soldering Iron 70W, 23V

The Weller WEP 70 Soldering Iron is a high-performance soldering tool, delivering 70W of power for precise and efficient soldering.

Designed for ease of use and safety, the WEP70 combines ergonomic comfort with advanced features, making it ideal for professional soldering applications.

The Weller WEP70 Soldering Iron is a robust and reliable tool for professionals seeking a high-quality soldering iron with ergonomic design and ESD safety. Perfect for those working with sensitive electronic components.
