

Weller WFV 60 A Stop Valve

SKU: GW-WFV

Features & Benefits

- ◆ **Automatic Fume Control:** Activates and deactivates based on soldering usage
- ◆ **WX Soldering Station Compatible:** Works seamlessly with WX series stations
- ◆ **Compact Design:** Dimensions of 145 x 110 x 210 mm (5.71 x 4.34 x 8.27 inch)
- ◆ **Easy Installation:** Includes 2 bench mounting brackets for quick setup
- ◆ **Durable and Reliable:** Fuse rating of 12 V / 500 mA for added safety
- ◆ **Lightweight:** Weighs just 1.2 kg for easy handling and mounting

About the Weller WFV 60 A Stop Valve

The Easy-Click WFV 60 A Automatic Valve is a high-performance accessory designed for use with the WX series soldering stations.

This valve provides efficient control of fume extraction systems, automatically activating or deactivating based on the soldering process, enhancing safety and convenience. With a compact design, the WFV 60 A is compatible with WX soldering stations and comes with two bench mounting brackets for easy installation. Its low power consumption and wide voltage range make it suitable for diverse work environments.
