

Weller WPB1 Polishing Bar

SKU: GW-WPB1

Features & Benefits

- ◆ Cleans and renews soldering tips, extending their lifespan
- ◆ **Use on cold tips only** for safe and effective cleaning
- ◆ Removes oxidation to maintain tip performance
- ◆ Re-tinning tips after use prevents future oxidation
- ◆ Simple and efficient maintenance for Weller soldering tips

About the Weller WPB1 Polishing Bar

The Weller WPB1 Polishing Bar is an essential tool for maintaining and extending the life of your Weller soldering tips.

Designed for use on cold tips only, it effectively cleans and renews tips by removing oxidation and restoring their performance.

Regular use of this polishing bar helps to prevent future oxidation and keeps your tips in optimal condition for longer, ensuring better heat transfer and more reliable soldering results.
