

Wrist Strap - Hypo-Allergenic (Premium) ESD

SKU: G-SWS-1H

Features & Benefits

- ◆ ESD wrist strap made from premium high comfort woven material
- ◆ 10mm stud for easy grounding cord attachment to Earth bonding point
- ◆ Woven silver fibres for maximum conductivity
- ◆ Fully adjustable for a customised fit
- ◆ Curved buckle for added comfort during extended use
- ◆ Manufactured to BS EN 61340-5 standards for reliable performance
- ◆ Ideal for electronics and manufacturing environments
- ◆ Regular testing required for ensuring effectiveness in ESD protection

About the Wrist Strap - Hypo-Allergenic (Premium) ESD

This ESD wrist strap is manufactured from premium high comfort woven material, designed for maximum comfort during all-day use in static-sensitive environments.

The strap is fitted with a 10mm stud, allowing easy attachment of an ESD grounding cord to an Earth bonding point for effective static discharge.

Constructed with woven silver fibres, it ensures excellent conductivity, making it an ideal choice for electronics and manufacturing environments.

The strap is fully adjustable and features a curved buckle for added comfort, ensuring a secure and comfortable fit.

Manufactured to BS EN 61340-5 standards, it provides reliable ESD protection. Regular testing, ideally when entering an EPA (Electrostatic Protected Area), is recommended to ensure optimal performance.
