About the XT GW3 - Gull Wing - Ø0.9mm / 0.8mm

The Weller XT GW3 Gull Wing Tip (Ø 0.9 mm / 0.8 mm) is a precision tool designed for fine soldering of small gull-wing lead components.

Compatible with Weller WSP120 and WXP120 soldering irons, this tip offers exceptional heat distribution and control, ideal for delicate and detailed work. Its narrow tip diameter ensures precise application in tight spaces, making it the perfect choice for professional electronics, especially for surface-mount technology (SMT) soldering.
